

LPCP Newsletter

September 17, 2007

The 'Fabulous Fours' have already begun practicing necessary skills for Kindergarten. Here you can see them working as a group, using listening skills, following directions, learning content matter and working those fine motor skills.

In an effort to expose your children to their community LPCP has a few additional trips we will be making this year. Please check your child's back pack and the web site regularly for updated information. This fall in addition to our traditional pumpkin patch visit and Halloween parade to Market Street Café we will be participating in a story time at the new Rust Library location and going to visit the Fire station on Plaza Street. I am also hoping to get us a spot in the Leesburg Halloween and Christmas Parades. These are all great opportunities to wear a LPCP T-shirt if you have them.

Of course for the Halloween events we'll ALL be wearing our costumes. It seems early but kids are already talking about their costumes. Please keep in mind to avoid frightening costumes, masks and props. Also no pretend weapons are ever permitted in the school.

MARK YOUR CALENDAR!!

Sept. 27- Picture Day

Oct. 2- Fall Gathering

Oct. 8- No School

You may have noticed some gorgeous paintings coming home. Remember it is the process of the art not the product. Give your child lots of encouragement as he/she uses colors in their paintings. Use qualifying statements, by explaining why you love their work. For example "You use such bright colors!" Please don't correct a blue tree or purple sun, let their creativity flourish.

The Two's and Three's teachers have been getting to know your children through a theme called 'Me and My Family'. Some of the Two's made self portraits on the first day. The Four's teacher have been discussing 'Back To School'. They have begun their letter of the week program with gusto. Don't forget that every Tuesday your child should bring in an item that begins with the letter of the week. For example an airplane on 'A' week, binoculars on 'B' week...

Our LPCP children love the new play ground equipment. Thank you to all who have supported our fundraising efforts that have made these improvements possible for your children. You should hear the screams of delight as they play!
