Widson lives with his parents, 4 brothers, and 2 sisters. His parents struggle to provide for the family.

Widson and his family live in a community severely affected by the HIV/AIDS crisis. In some communities, AIDS affects the entire social structure as a generation of hardworking adults is being wiped out. Frightened children and exhausted grandparents rarely have money for food, school, or medical care. Through sponsorship, you can ensure access to these and other basic needs for Widson and his family.

Widson is in primary school and he enjoys foreign language. He helps at home by caring for the animals. He likes to play soccer. He is in good health.

Your sponsorship commitment will help provide Widson and his community with the assistance they need to save a generation from the HIV/AIDS crisis. World Vision will faithfully use your sponsorship support of Widson to meet his needs and minimize the impact of AIDS in his community through tangible prevention and care programs. You are an answer to prayer, helping children and families gain access to basic needs and learn about God's unconditional love.
